22/1/09. The question seems to be only as regards the investment of the 4000 rupees now in the Savings Bank out of the 10000 rupees accepted by Govt in G O no 4354 of 26th March 1907. If the amount is accepted at the enhanced rate of interest, it will be giving retrospective effect to the notification of 12th Feb 08.

As regards changing the investment of 6000 Rs now in 4% paper into one under the note of Feb 08, it seems it cannot be done, since it creates a set of legal relation between the donor and govt entirely different from that now (according to the 4% pap. investment) now prevailing subsists between them. 22/1.

Correspondence ending with letter No. 561—94, dated 29th November 1906, from the Deputy Commissioner, Shimoga District, recommending that the chattram and temple built by Mr. Kaule Dyavappa at Sagar and the endowments attached thereto may be taken under Government management.

No. 4354-5, DATED BANGALORE, 6TH MARCH 1907.

ORDER THEREON.—The Deputy Commissioner reports that Mr. Kaule Dyavappa, a rich land-holder residing at Sagar, has built a temple dedicated to Dattatreya Devaru and a chattram attached to it at a cost of Rs. 22,000, that the construction of the chattram for the accommodation of all classes of travellers has supplied a long felt want and that Mr. Dyavappa, in view to place the institutions on a satisfactory footing has deposited in the Government Savings Bank Rs. 10,000 and has also endowed them with some lands. Out of the sum of Rs. 10,000 referred to above a sum of Rs. 6,000 has been invested in the new Mysore Government 4 per cent loan. The Deputy Commissioner recommends that the charities might be taken under Government management in accordance with the wishes of the donor, that a scale of expenditure be fixed thereto and that Mr. Dyavappa might be appointed sole Dharmadarsi of the charities during his life time and after him any competent member of his family.

2. The estimated annual income from the endowments to the temple and chattram is Rs. 602-0-0 as per details shown in the accompanying Statement A and the proposed annual expenditure is Rs. 431 as shown in the Statement B.

3. Under the foregoing circumstances, the Government are pleased to sanction the Deputy Commissioner's recommendation to take over under Government management the temple and chattram and the cash and land endowments attached thereto. The proposed scale of expenditure as shown in the Statement B is approved. Mr. Dyavappa may be appointed sole Dharmadarsi and Manager during his life time and after him, some competent member of the family may be included in the management. A notification will issue separately. The Manager will have to keep regular accounts and make them available for inspection by Government Officers and also act up to the suggestions and orders of the Amildar.

4. The sum of Rs. 4,000 now in the Savings Bank may be converted into 4 per cent loan paper when a convenient opportunity occurs.
